

PIERCE COLLEGE DENTAL HYGIENE COURSE TRANSFER GUIDE: 2009-

10

From Summer 2008

We use Eastern Washington University's (EWU) Transfer Guide to check transferability of courses into our program. Pierce College acknowledges that the contents of the Transfer Guide are subject to change at any time, and course equivalencies are contingent upon the curriculae of both the college(s) and Pierce College. If a course is not listed, you will need to send a copy of your course catalog description and/or your syllabus of the course to the Program Director to determine course transferability. Please contact the program at: 253-964-6695 or via email: mhospent@pierce.ctc.edu. Equivalents are to the best of our ability and may not equate to the credits we require. If you have taken courses more advanced than those listed, please also contact the Program Director to determine their eligibility.
