

Awareness-Operations Train the Trainer

**Feb 16-18, 2009
Spokane FPD #10
929 S. Garfield Rd
Airway Heights WA**

This 24 hour course will prepare instructors to deliver hazardous materials response training at the Awareness and Operations Levels. It is designed to meet the training requirements for those trainers of individuals who respond to releases or potential releases of hazardous substances as part of the initial response for the purpose of protecting nearby persons, property or the environment and includes the new NFPA 472 competencies including Mission Specific Competencies.

This is not an IFSAC Course. The curriculum meets all standards but there is no testing or skill sheets incorporated into this class.

A registration form is available in [Word](#) format on the WSP website at:
<http://www.wsp.wa.gov/fire/hazmat.htm>.

Our hazardous material course schedule is available [online](#) for classes planned through September 2009.
