

The Office of the State Fire Marshal, Preparedness Division is sponsoring the following class:

**Hazardous Materials On-Scene Incident Command**

**Jan 21-23, 2009**

**Kent Fire Department**

**Class goes from 8-5 each day**

This Course is designed to meet the training requirements in OSHA 29 CFR 1910.120 (q)(v) and WAC 296-824 for incident commanders at a hazardous materials incident, and is designed to give participants the knowledge and skills necessary to manage all types of hazardous materials incidents. The course will provide emergency responders and industrial personnel with incident operations and management tools to effectively manage emergency incidents.

Course content includes identification and analysis of the problem, protective clothing and equipment, utilization of resources, hazardous materials regulations, evacuation vs. shelter-in-place, planning for the hazardous materials incident, and media relations.

A registration form is available in [PDF](#) format on the WSP website at: <http://www.wsp.wa.gov/fire/hazmat.htm>.

**Additional hazardous materials courses are available monthly around the state. This year's course schedule is available [online](#) .**

Questions regarding registration for the class should be directed to the Deputy State Fire Marshal Ron Bowen at 360-596-3923 or [ron.bowen@wsp.wa.gov](mailto:ron.bowen@wsp.wa.gov).
