Are you a **2nd-year transfer student** ready to transfer in Fall or Winter 2008? Hopefully, you have already applied to the college(s) of your choice. If not, let’s throw you a lifeline to help you with the deadlines! Check out <http://www.pierce.ctc.edu/programs/univtransfer.php3>. Under the heading “Understanding University Transfer Requirements”, look for the link to “**admission deadlines and requirements for public 4-year colleges and private 4-year colleges**”. You will find a handy summary of local college admission data. If you have not already, make sure you have made contact with an admissions advisor at the 4-year college/university of your choice. And as always, if we can help you with making connections at the 4-year colleges, or with help sorting through the transfer process, come see your Faculty Advisor, or one of the Faculty Counselor Advisors in the Welcome Center Sunrise Rm. 118. You can also make those connections at our Spring Transfer Fair.

Transfer Fair - May 15th! 9:00am—12:30pm, Cascade Building, level 4

Join us and visit with friendly representatives from most Washington State and other four-year colleges and universities. Get the information you need for a **successful transfer**: admission deadlines and requirements, majors and degrees offered, and more. If you have any questions about the transfer fair, or other information in this newsletter, please contact Mike Childers, Faculty Counselor Advisor at 253-964-7344. Hope to see you there!
