

Steve Titus story:

Nancy Van Roper

	Sensory Chunks most likely	What were Q's in STM? What were chunks?
Asks for ride (6:45pm)	Notice car Noice guy	What kind of guy? Will I get close to home? How will Mom react when I get home?
<del>Rape</del> occurs <i>Steps car knife at throat</i>	Feel of weapon against throat  Sneer on face	Is this his sister's house? What's that weapon? It's not a knife, probably a screwdriver. How can I get away? Why is this happening to me?
Told story to police About 7:30 pm	Her clothes aren't torn  25-30 yrs 6' medium buildfuull beard shoulderlength, light rown har 3 piec cream suit car royal blue, compact bucket seats velveteen uphostery Temp plate Something on rear	Do they believe I was raped?

	view mirror (garters?necklace?) Backseat brown folder	
Perhaps told story to others		
1:20am found light-blue Chevette at a lounge		
Asked to identify attacker in line up (Next day)	Bit lips, shook head What details did she bring up? Just details from report to police? What from original incident?	Can I get guy? Perhaps, can I convince them I'm <i>Concentrate, think hard.</i> "You can do it" officer says. "This one is the closest" "It has to be this one"
Asked to identify attacker in court
