All students are advised that the Pierce College Marketing & Communications Office takes photographs and shoots videos throughout the year which may include images (as well as audio/video recordings of voices) of members of the student body and reserves the right to use them for publicity, promotional and marketing purposes. The College also reserves the right to take photographs of campus facilities and scenes, events, faculty, staff and students for promotional purposes in any areas on campus or at any Pierce College-sponsored event off campus where subjects do not have a normal and reasonable expectation of privacy. All such photographs and videos are defined as "Directory Information" and are the property of Pierce College and may be used for Pierce College promotional purposes (e.g., electronic and printed publications, websites, classroom use, college ads, etc.) without prior permission of the subjects.

As a general practice, there is no attempt to collect individual photo release forms from students. Instead, we make the assumption that Pierce College students are our best resources for marketing the College and that they will welcome involvement in these activities. However, students who do not wish to have their images/voices used for this purpose must stipulate this in writing to Marketing & Communications at the beginning of the quarter. It is also expected that such students will excuse themselves from photo/video sessions and inform the Pierce College photographer/videographer that they do not wish to be included.

Children in Community and **Continuing Education Courses**

Community and Continuing Education courses are designed to meet the learning needs of adult learners, unless otherwise designated. We do not provide on-site day care and do not allow unregistered children to attend class sessions or sit unsupervised in public areas. Children under the age of 16 that want to register for a course not designated for children must be accompanied by a parent or guardian who is also registered and will be in attendance at all class sessions with them. Prior approval is required from the instructor. To make a request, please call 253-840-8451 and allow 10 days before the course begins for processing of your request. Children must be registered with their legal name and birthdate in order to participate.
