ACCUPLACER ASSESSMENT

The ACCUPLACER assessment is required for all students who are taking English or math classes, or any course with a math or English prerequisite, unless you are using your transcript or Smarter Balance scores to place.

If you are a student at Pierce College you have two ACCUPLACER tests free. You may take the ACCUPLACER as many times as you want, however after the two free exams you must pay \$15.00. You must wait at least five days between the exams not counting the day you tested and the day you retest. The cost for non-Pierce students is \$15.00 for all tests.

Assessment scores are only good for one year from the date of the test.

To view ACCUPLACER assessment sample questions go to: <https://www.accuplacer.org>.

For Math practice you can visit www.wamap.org for free. If you are new to Wamap click on Placement Review and register. You can also use purplemath.com or khanacademy.org.
