**P-12 CLOCK HOURS: The Pierce College Community and Continuing Education department is an approved OSPI (Office of the Superintendent of Public Instruction) clock hour provider.*

Pierce College offers bachelor’s degrees, associate degrees, and professional certificates in numerous programs of study (www.pierce.ctc.edu/). Career training opportunities prepare students for work in the fields like business, computers and technology, health care, communications and education. The college also offers adult basic education classes, English as a second language (ESL) classes, and community and continuing education classes.

Pierce College welcomes all students. Advisors (www.pierce.ctc.edu/advising) help resolve issues, answer questions, and provide information about the next best steps based on each individual’s needs. The college ensures that the lack of English language skills is not a barrier to education, access to services, or activities.

Pierce College supports and values the dignity of each member of its community and visitors, and is committed to maintaining an environment free from discrimination and harassment. This commitment applies to all levels and areas of operations and programs and is intended to ensure that all students and employees are provided equitable opportunities to realize their goals and to function safely and effectively within the Pierce College environment.

Pierce College recognizes its responsibility under state laws and their implementing regulations to investigate, resolve, implement corrective measures, and monitor the educational environment and workplace to stop, remediate, and prevent discrimination on the basis of race, color, national origin, age, perceived or actual physical or mental disability, pregnancy, genetic information, sex, sexual orientation, gender identity, marital status, creed, religion, honorably discharged veteran or military status, or use of a trained guide dog or service animal. Pierce College prohibits discrimination against and harassment of members of these protected classes, as well as any additional class(es) protected by local, state, or federal law. Any individual found to be in violation of this policy will be subject to disciplinary action up to and including the possibility of exclusion from Pierce College facilities, dismissal from Pierce College as a student, and/or dismissal from employment, as applicable.

Members of the college community, guests, or visitors who believe they have been the subject of discrimination or harassment should report the incident or incidents to the District Title IX/EEO Coordinator identified below. If the complaint is against that Coordinator, or if for some other reason a report cannot be made to the Coordinator, the complainant should report the matter to one of the alternate designees listed below.

Information on how to report concerns about behavior that may have a negative impact on the climate can be found at
www.pierce.ctc.edu/complaint-process. All reports of negative and inappropriate behaviors will be taken seriously. We believe that hearing about concerns presents an opportunity to consider any necessary improvements. Attempting to prevent someone from reporting a concern, and retaliating or attempting to encourage others to retaliate against someone who has raised concerns will not be tolerated.

Please also see our Discrimination and Harassment policy at www.pierce.ctc.edu/policy-discrimination-and-harassment

LIMITATION OF LIABILITY: The college’s total liability for claims arising from a contractual relationship with the student in any way related to courses or programs shall be limited to the tuition and expenses paid by the student to the college for those courses or programs. In no event shall the college be liable for any special, indirect, incidental or consequential damages, including but not limited to loss of earnings or profits.

All students are advised that the Pierce College Marketing & Communications Office takes photographs and shoots videos throughout the year which may include images (as well as audio/video recordings of voices) of members of the student body and reserves the right to use them for publicity, promotional and marketing purposes. The College also reserves the right to take photographs of campus facilities and scenes, events, faculty, staff and students for promotional purposes in any areas on campus or at any Pierce College-sponsored event off campus where subjects do not have a normal and reasonable expectation of privacy. All such photographs and videos are defined as "Directory Information" and are the property of Pierce College and may be used for Pierce College promotional purposes (e.g. electronic and printed publications, websites, classroom use, college ads, etc.) without prior permission of the subjects.

As a general practice, there is no attempt to collect individual photo release forms from students. Instead, we make the assumption that Pierce College students are our best resources for marketing the College and that they will welcome involvement in these activities. However, students who do not wish to have their images/voices used for this purpose must stipulate this in writing to Marketing & Communications at the beginning of the quarter. It is also expected that such students will excuse themselves from photo/video sessions and inform the Pierce College photographer/videographer that they do not wish to be included.

CONTENT DISCLAIMER

Pierce College has made every reasonable effort to provide information that is accurate at the time of publication. However, the college reserves the right to make appropriate changes in policies, procedures, calendars, requirements, programs, courses and fees. When feasible, changes will be announced prior to their effective dates, but the college assumes no responsibility for giving any particular notice of any such changes. Nothing contained herein shall be construed to create any offer to contract or any contractual rights.
